HAFSA ARSHAD

Frontend Developer | React Developer

Peshawar, Pakistan | hafsaarshad9302@gmail.com | LinkedIn: linkedin.com/in/hafsa-arshad-52ba71317 | GitHub: github.com/Hafsa-Arshad93

PROFESSIONAL SUMMARY

Frontend Developer with a BS in Statistics and a strong foundation in HTML5, CSS3, Bootstrap, JavaScript, and React.js. Experienced in building responsive, interactive, and user-friendly web applications through hands-on projects and professional training. Brings additional strengths in data analysis, statistics, research, problem solving, communication, and teamwork. Familiar with modern digital workplace tools and GitHub. Seeking an entry-level opportunity where technology, analysis, and problem solving can contribute to meaningful projects.
